The OSR has reviewed BNI's responses (References 1 and 2) to our questions concerning the RPP for Design and Construction, Reference 3. Some of the BNI responses require clarification. Thus, the OSR requests those items in Enclosure 1 be clarified and appropriate RPP redline page changes be submitted to the OSR. Also, some of the responses did not indicate how the RPP would be changed to incorporate the responses. These items are identified in Enclosure 2. For these items, the OSR requests that BNI provide a copy of the RPP redline page changes consistent with the BNI responses in References 1 and 2.
